SETH MORENOS

Product Designer & Engineering Student

EXPERIENCE

Loblaw Digital
Associate Product Designer
Jan – Apr 2021

Executed end-to-end design for online fulfillment and delivery initiatives targeting **shortened order issue resolution times**

Designed, piloted and launched a new pick history module used Canada-wide by grocery banners to validate **10,000+ orders per week**

Initiated design for a delivery dashboard's filter function to be used by support staff to sort through **400+ risky orders per week**

Soulfx Technologies Inc.
Software Designer
May – Aug 2020

Designed frontend and information architecture for a client's patient support platform, enabling caseworkers to administrate **2,500+ pharmaceutical records**

Created mock-ups and drafted functional specifications for an application that facilitates the remote retrieval of prescription cards for **500+ patients**

Ontario Ministry of Labour
UX & Web Designer
Sep – Dec 2019

Led interface design for the Employment Services Transformation project, an initiative directed towards **increased employment retention**

Created high-fidelity prototypes and workflow diagrams for a support service delivered by **400+ caseworkers** to help jobseekers secure employment

PROJECTS

sethvm.com
UX Design & Development

Designed and developed a portfolio website using **React**, employing **responsive design**, **conditional rendering** and **lazy loading** to optimize browsing experience across varying device specifications
